I oppose the proposal for a variety of reasons. Personal to me, if I read it correctly, I would not be able to pro tem. This is the only legal work I engage in. I retired after 20 years as a Superior Court Commissioner and have frequently been a pro tem wine then.

I returned to work in a legal aid office until 2019 and had no personal malpractice insurance. The annual premium will be an issue but I may need a "tail" which would be prohibitive.
