Subject: APR 26 Proposed Changes

Washington State Supreme Court,

I am writing to express my opposition to mandatory malpractice insurance. I do not need it, as I am not practicing law in a traditional sense of the word, but my employer expects me to have a law license. I am also an active member of the Washington, DC Bar, which is cheaper than Washington Bar. As such, if mandated to maintain malpractice insurance, I would change my WA State bar membership to inactive, reducing income to the Washington State Bar Association.

Thank you.
