Subject: Comment on Proposed Rule Change APR 26

Dear Madame Clerk,

This comment is written in full support of the comments and conclusions in the January 26, 2020 letter from W.S.B.A. President Majumdar regarding APR 26.

In addition, a consideration not yet addressed is the undue impact on women who choose to vastly reduce practice in order to raise their children. Without a showing of actual benefit to the public and, indeed, a showing of probable increased lawsuits against attorneys because of mandatory insurance, it would be extremely helpful to women who are already financing continuation of their Bar licenses from family funds in order to realize their goals.

Thank you for your consideration. Please, reject the proposed change.

Vicki
