I worked in the juvenile court 39 years.

I agree with the goal of the proposed rule change.

I would require the following to protect the defendant.

1. If the defendant is in custody they shall appear at
2. Every hearing.
3. If the defendant wants to have a waiver approved
4. They must appear at a waiver hearing. At the hearing
5. The court may accept or reject the waiver on the
6. record without a written order.
