My name is Karey White and I support the passage of this rule which will protect the rights of immigrants in our state. This matters to me because:

- **No one should fear that their immigration status prevents them from seeking justice**, whether as a crime victim or otherwise. All individuals have free and open access to Washington courts, regardless of their immigration status.
- **Community trust is a cornerstone of our judicial system.** When an attorney is viewed as an extension of the federal immigration system, noncitizens are less likely to go to court to appear for their hearings, file for protection orders, or appear as witnesses, undermining access to justice. Immigration arrests are causing people to miss court; lawyers should not be facilitating these arrests. Doing so results in undermines trust in the judicial system.
