Subject: Rules of Professional Conduct 4.4

My name is Linda Greene. I am a member of the Spokane Immigrant Rights Coalition. I am not an immigrant myself, but I feel that every person in our country should feel safe. When dealing with our justice system no person should be afraid that their immigration status could be used against them. Whether as a witness, offender or a victim of crime, a person should not be afraid to have their day in court. Therefore, prosecutors should be prohibited from reporting people to immigration authorities. I support adoption of RPC 4.4.

Thank you,
Linda Greene
