Greetings: As a member of the Washington State Bar Association, and as a solo practitioner, I write regarding the proposed changes to the Lawyer Disciplinary Rules (Rules for Discipline and Incapacity).

To that end, and rather than repeat objections and comments already presented, **I join in the objections already presented** by those far more articulate than I am, including *but not limited to*: (1) the WSBA Solo and Small Practice Section, (2) the King County Bar Association, (3) the submittals forwarded to the Court by the Washington State Bar Association, (4) the experienced members of the Respondent Counsel Roundtable, and (5) both letters submitted by the Law Office of Anne Seidel, which discuss key problems with the substance of the proposed changes.

Thank you for your consideration.

Susan K. Fuller
