Subject: Technical Amendment to SPR 98.16W

Hello,

I am writing about the proposed technical amendment to SPR 98.16W regarding the repeal of RCW 9A.72.085. The technical amendment notes GR 13 contains virtually identical language to RCW 9A.72.085 and can be substituted for it.

GR 13 also contains a reference to RCW 9A.72.085 and it, too, will need to be amended to remove the statute when the repeal is effective on July 1, 2021.

Thank you for your attention.
