The proposed changes contained in Order Number 25700-A-1321 to RPC 1. 4 should be reconsidered. It is indeed the lesser evil in dealing with a situation which is not problematic but it does not create necessity.

In fact, it errs in the understanding of daily practice with clients. Many situations unfold rapidly. Often, a phone call seeking quick information and guidance is needed. There is no ability to provide a written statement before assisting people in need of answers except to leave them without help. Well-meaning but mistaken approach to a non-problem.

DO NOT APPROVE, please.
