

LLLT Board Mission: To serve and protect the consuming public with qualified and regulated legal service providers at a price that they can afford.

Affordable Legal Services in Family Law by a Legal Technician

A limited license legal technician, also known as a legal technician or a LLLT, is licensed by the Washington Supreme Court to advise and assist people going through divorce, child custody, and other family law matters in Washington.

Legal technicians provide **limited legal services in family law** by consulting with and advising clients, completing and filing necessary court documents, and assisting pro se clients at certain types of hearings and settlement conferences. They also help with court scheduling and support clients in navigating the legal system. **LLLTs are well trained, experienced, and competent licensed legal professionals who may be able to provide you with the legal help you need.** If you cannot afford a lawyer, a legal technician might be an affordable option for your family law matter.

The following people request that the Washington Supreme Court Review and Reconsider their decision eliminating the LLLT Program. LLLT's assist in affordable legal assistance within Washington. Do not end the LLLT Program without discussion or public feedback. Keep justice affordable for all people, of all races, income and/or disability. The LLLT Program began because of the need in this state. Other states are now following in our footsteps. Please don't abandon our public or the need this will fulfill!

Subject: Washington State Petition Signatures-Resubmitting
Date: Friday, April 30, 2021 3:25:47 PM
Attachments: [Prev Subm thru 4-26-2021.pdf](#)

External Email Warning! This email has originated from outside of the Washington State Courts Network. Do not click links or open attachments unless you recognize the sender, are expecting the email, and know the content is safe. If a link sends you to a website where you are asked to validate using your Account and Password, **DO NOT DO SO!** Instead, report the incident.

Please print for Justices. These have been previously submitted but I wanted to have more clear information on the Washington State Signatures. (I understand that since this is an attachment and not a specific document that is being submitted, the 1500 word limit does not apply. If this is not the case, please let me know. As I said these were previously submitted.) (15 pages)

Also, Justice McCloud brought up the out of state signatures, if you would forward a copy to her, I would appreciate it. I did hear what she said. Covid prevented a lot of events to obtain signatures.

Thank you.

Connie Major
