To whom it concerns,
I am writing in support of
Limited License Technicians (LLTs),
Legal

My children's father & I had a
horrendous divorce! We are
filing 11 volumes at the Snohomish
County Superior Court, starting
in 2001. I had a pro bono
attorney for the divorce trial
and problems continued for
years afterwards.

I am convinced a LLT would
have been cost-effective, less
time consuming, & pain free.
Thanks for your consideration,
Diane Martin Rudnick, Sierra + Ha.
