I am writing to encourage you to not only keep but expand the LLLT program. At the beginning of the Covid Pandemic we read much about how this would be a perfect time to make changes in our country to bring about a more equal and just society for all. This program to help access to people across economic and racial lines would be a great step in that direction. Those who cannot afford a lawyer, but deserve legal representation, something we are all deserving of no matter our lot in life. I would ask that you not only keep the program, but expand it to include elder care and land lord tenant issues to name a few. Please consider keeping and expanding the LLLT program. It would be a win win for all.

Sincerely,

Dova L. Thirsk

Mt. Vernon, WA.
