If a link sends you to a website where you are asked to validate using your Account and Password, DO NOT DO SO! Instead, report the incident.

I'm writing to support and expand the role of these professionals. Not everyone can afford or needs a lawyer.

The limited scope of practice denies low-income residents and communities of color an affordable option in legal matters that don't wind up in court or require an expensive lawyer.

As a medical social worker I found it very difficult to provide low cost legal resources for families I served. Please reconsider your decision to sunset this program!
