Do not click links or open attachments unless you recognize the sender, are expecting the email, and know the content is safe. If a link sends you to a website where you are asked to validate using your Account and Password, **DO NOT DO SO!** Instead, report the incident.

I believe the LLLT program should continue. Although I do not know your reasons for sunseting this program, providing a lower cost subject matter expert seems like a reasonable option for those who cannot afford an attorney. If to program is too expensive as designed, I would prefer to see ways to reduce the cost in order to continue the program.

Thank you for your consideration,

James I Reitz
