Hey! Please don't cancel the program. This is huge for people like me who don't have enough money to pay for a lawyer but still need minor legal help with things. Please allow this program to grow and spread to other areas of law. LLLTs are vital to the community. The cost of lawyers just reinforces today's mentality of "if you have money then you win.". Not everyone is rich unfortunately but LLLTs can help the community as if they were. Please don't end this program.
Thanks!
