To: The Washington State Supreme Court

I urgently request that you reverse the decision to sunset the Limited License Legal Technician license.

LLLTs are high trained and skilled provisionals with the ability to step into a justice gap between individuals in need of pro bono services and those able to afford legal counsel.

Ending this program without a replacement program in place is not in anyone's best interests.

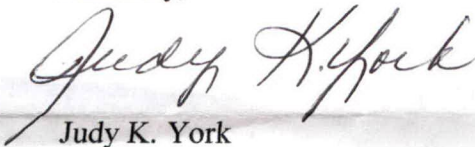

The judicial system is daunting and considerable time and money is wasted while those without counsel attempt to file protection orders, parenting plans, etc. on their own.

In a perfect world everyone could afford legal counsel. However, this world is far from perfect.

PLEASE REVERSE THE DECISION TO SUNSET THE LIMITED LICENSE LEGAL
TECHNICIAN PROGRAM!

Thank you.

Sincerely,
