Supreme Court Administrators and Justices:

I urge you to expand and retain our state's use of LLLTs. I believe many of our citizens are denied access to much-needed legal solutions to their problems because of the high costs associated with hiring attorneys to assist them with routine matters. I was pleased when the LLLT program was initiated a few years ago and hoped to see it expand. Now, according to the recent article in the Seattle Times, the program may be ended. Please do not allow that to happen.

Regards,
Pamela Jorgensen, Burien resident
