Hello,

I have done a jury trial over Zoom. It is absolutely not the same as an in-person trial. While needed for the pandemic, once the pandemic is over, the Court should strongly oppose any power to allow trial courts to impose a Zoom trial against a party's wishes. In-person trials have been around for centuries (millennia?) – we shouldn't be so quick to discard them under the guise of convenience. Justice is too important.

Todd Wyatt  
Attorney
