Dear Erin Lennon,

I am writing in support of the proposed amendments to CrR 3.1 and 7.8. These amendments will help people who have already been unjustly convicted obtain the relief they deserve. In order to get an attorney, people are being required to file motions related to indigency and the merits of their claim. But most non-lawyers don't know how to do that. Requiring people who have already been wronged by the state to jump through these legal hoops adds insult to injury. Please adopt the proposed amendments.

Sincerely yours,

Lisa Mulligan
