RE: Amendment to GR 23

Dear Clerk:

I support the proposed amended GR 23 to allow more professional guardians on the Certified Professional Guardian Board. This would increase Board expertise which I believe will promote a higher level of accountability of Certified Professional Guardians.

It is important to note that most Washington Boards and regulated professions include a majority of members from the regulated profession. Please see the enclosed table for reference.

Thank you very much for your consideration and for your general support of the Certified Professional Guardian Board and the guardianship/conservatorship profession in Washington State.

Sincerely,

William C. Jaback, CPA, CPG  
Executive Director
