I appear in Grant County Superior Court in which the court (in the 11.5 years I have appeared there) have never authorized an appearance bond. The only reason I have ever been given for denying an appearance bond is that the elected clerk does not want to have appearance bonds. The court does authorize "signature" bonds although I am not aware of any statutory authority for a "signature" bond. Consequently, I hope the proposed changes to CrR 3.2 are adopted.
