**Subject:** caseload standards

You don't often get email from [corey\\_endo@fd.org](mailto:corey_endo@fd.org). [Learn why this is important](#)

**External Email Warning!** This email has originated from outside of the Washington State Courts Network. Do not click links or open attachments unless you recognize the sender, are expecting the email, and know the content is safe. If a link sends you to a website where you are asked to validate using your Account and Password, **DO NOT DO SO!** Instead, report the incident.

I support the caseload standards for indigent defense. As a federal practitioner, with a much lower caseload, I stand in awe of my state counterparts. But the expectations and excessive caseloads are not good for the clients they serve or for the lawyers themselves. Please adopt the proposed caseload standards.
