1. HIRE MORE PROSECUTORS & PAY THEM MORE
2. BRING BACK THE BAR EXAM: If you don't pass it, you are not an attorney.
3. STOP LOWERING THE BAR: Increase the difficulty of passing the bar!
4. ALLOW CITIZENS TO PROTECT THEMSELVES: Because the local police & county sheriffs are certainly not going to be there when needed. And we for sure can't count on the Secret Service or FBI either!

We, the people of Washington State are tired of the failed far-leftists communists who have taken control of the government. Look at Seattle. Look at Vancouver. Look at Aberdeen. EVERYWHERE leftists get their way, quality of life for EVERYONE goes in the toilet: LITERALLY! Tired of seeing human excrement & needles in city streets.

We are tired of having our belongings stolen OVER AND OVER again by petty drug addict thieves who receive no punishment and just end up on the streets over and over.

If the system is going to reward bad behavior, and punish productive people, it is time to stop being productive. My personal decision has been to STOP participating in this corrupt system: It is no longer worth it to buy dilapidated properties, repair & rent them out due to all the stupid anti-landlord 7 eviction laws and all the petty crime here.

From this point on: I will invest my time, resources, and dollars in states & regions that are tough on crime, do not pay people to break laws, and that have good district attorneys & public prosecutors, not Alex Soros W.E.F. puppets. That definitely excludes all Democrat-run warzones like Seattle & Vancouver & the rest of WA state too thanks to the magazine ban.
