[You don't often get email from [michaela@rose-labyrinth.com](mailto:michaela@rose-labyrinth.com). Learn why this is important at <https://aka.ms/LearnAboutSenderIdentification> ]

External Email Warning! This email has originated from outside of the Washington State Courts Network. Do not click links or open attachments unless you recognize the sender, are expecting the email, and know the content is safe. If a link sends you to a website where you are asked to validate using your Account and Password, DO NOT DO SO! Instead, report the incident.

True justice requires that every defendant have access to an attorney who is in a position to provide a thorough and competent defense. A public defender who is exhausted and overbooked is not in such a position. And this is not just true justice for an individual, but for society at large; the incarceration of the innocent not only destroys lives, but also fractures communities and families and leaves true criminals free to reoffend.
