The Horrific Plan That Will Make Washington State Even More Dangerous By Limiting The Prosecutor's Case Loads.

This is an outrage! borders on criminal if you followed the laws and put the criminals in jail then they would not be repeat offenders too take up half the time of the prosecutors.

Remove the bullshit laws that a few years ago allowed thieves to steal under 2k of property before our law enforcement was called and could arrest them.

Follow the laws we had & have on the books, the ones the liberals took away! You shoplift, you go to jail for repeat offenders ..you camp on public sidewalks or shit on them you go to jail..You get caught doing hard drugs off to jail.

The liberals in this country are destroying it. 90% of the homeless do not want help, they want more drugs, they are addicts that want drugs and do not want shelter. They do not want to follow the rules of the shelters No pets, No alcohol, No drugs, ext this is not a reason to put the good people of Washington at risk for crimes and this is what you are doing.

Do not limit the amount of cases the prosecutor can have in a given year, increase their pay and

hire more.

Build new prisons to accommodate the criminals and proceute REPEAT OFFENDERS.

Thank you
