**Subject:** Feedback rqstd, public defenders caseload

You don't often get email from [info4changewa@gmail.com](mailto:info4changewa@gmail.com). [Learn why this is important](#)  
**External Email Warning!** This email has originated from outside of the Washington State Courts Network. Do not click links or open attachments unless you recognize the sender, are expecting the email, and know the content is safe. If a link sends you to a website where you are asked to validate using your Account and Password, **DO NOT DO SO!** Instead, report the incident.

Please, please decrease the caseload for our public defenders. Increase funding to make this happen. The right to adequate counsel is critical.

Far too many cases are closed with a plea agreement because people are keenly aware of the imbalance in the scales of justice, sharply weighted toward the side of prosecutors.

Support the talented, passionately-committed people who are working hard every day to defend others and ensure that everyone has their legal rights protected in court.

Sincerely,  
Noreen Light
