Hello,

I am writing to urge you to amend the court rule covering caseloads for public defenders. I would like to see you adopt the newly passed bill and greatly improved WA state bar association standards.

As a WA state resident who reads the seattle times everyday, I learned of the troubles of public defenders back in September 2023. <https://www.seattletimes.com/opinion/our-public-defender-system-is-at-the-breaking-point/>

I think the people of WA state deserve fair representation and this can not be accomplished without changing caseload standards for public defenders.

Thank you
