Please stop the lawlessness in Washington State! Judges should not be allowed to arbitrarily dismiss a criminal's charges! Criminals need to answer for what they have done! The tax paying citizens need to have justice and safety! Washington state has become an unsafe and lawless state. Our state is being ruined by all the crazy senseless things happening! I was born here and I would like to die here.....of old age, not the victim of a crime (or being taxed out).

There are far too many radical partisan judges at this point that do not follow the rule of law. Bring back common sense! Stop destroying our state!
