

April 26, 2025

To the Honorable Supreme Court Justices,

It is not ok for you to be able
to arbitrarily dismiss charges for
someone who has committed a crime.

The legislatures House bill 1125 didn't
get off the ground.

Do not alter or change cr RS.3(b).

This is definitely an overreach of
your power. I am totally opposed
to this change.

Sincerely,

Nanette Hemmer
