-] (Children’s names): _____ do not have another home state.
-] **No home state or home state declined** – No court of any other state (or tribe) has the jurisdiction to make decisions for (children’s names): _____, **or** a court in the children’s home state (or tribe) decided it is better to have this case in Washington **and**:
- The children and a parent or someone acting as a parent have ties to Washington beyond just living here; **and**
 - There is a lot of information (substantial evidence) about the children’s care, protection, education and relationships in this state.
-] **Other state declined** – The courts in other states (or tribes) that might be (children’s names): _____’s home state have refused to take this case because it is better to have this case in Washington.
-] **Temporary emergency jurisdiction** – Washington had temporary emergency jurisdiction over (children’s names): _____ when the case was filed, and now has jurisdiction to make a final custody decision because:
