This matter came on for an ex parte hearing on an emergency petition for immediate appointment of guardian of the Respondent.

Findings of Fact

1. The court finds, from an affidavit or testimony, that the Respondent's physical health, safety, or welfare will be substantially and irreparably harmed before a hearing with notice on the appointment can be held.

2. Basis for emergency guardianship

An emergency exists and no other person has the willingness or authority to act to prevent substantial and irreparable harm to the Respondent's identified emergency need related to health, safety, or welfare. The Respondent, by clear and convincing evidence:

lacks the ability to meet essential requirements for physical health, safety, or self-care because the Respondent is unable to receive and evaluate information or make or communicate decisions, even with appropriate supportive services, technological assistance, or supported decision making.

is in need of a full guardianship.

is capable of managing some personal and/or financial affairs, but is in need of the protection and assistance of a limited guardian. These specific powers are granted to the guardian: _____

_____.

There is clear and convincing evidence the Respondent's emergency needs cannot be met by a protective arrangement instead of guardianship or other less restrictive alternative, including use of appropriate supportive services, technological assistance, or supported decision making.

There is clear and convincing evidence the Respondent's needs cannot be met by limited guardianship. The guardianship is appropriate.

3. Immediate Emergency Guardian

The guardian is qualified to act as guardian for the Respondent. They have filed the *Disclosure of Guardian or Conservator* and their address, phone numbers, and email address are as follows:

Address: _____

Phone No(s): Business: _____ Personal: _____

Email: _____

The relationship of the guardian to the Respondent is: _____

_____.

The guardian provides paid services, is a relative, or is employed by a person that provides paid services to the Respondent. The court finds, by clear and convincing evidence, that the guardian is the best qualified person for the appointment and the appointment is in the Respondent's best interest.
