Findings of Fact

2. All notices required by law have been given, and proof of service as required by statute is on file.

7. Basis for emergency guardianship and/or conservatorship

An emergency exists and no other person has the willingness or authority to act to prevent substantial and irreparable harm to the Respondent's identified emergency need related to health, safety, welfare, property, or financial interests. The Respondent, by clear and convincing evidence,:

- lacks the ability to meet essential requirements for physical health, safety, or self-care because the Respondent is unable to receive and evaluate information or make or communicate decisions, even with appropriate supportive services, technological assistance, or supported decision making.
- is incapable of managing property or financial affairs due to a limitation in the Respondent's ability to receive and evaluate information or physical absence. An appointment of a conservator is necessary to avoid a significant dissipation of the individual's property or obtain funds or property to support and care for the individual or their dependents.
- is in need of a full guardianship and/or conservatorship.
- is capable of managing some personal and/or financial affairs, but is in need of the protection and assistance of a limited guardian conservator. These specific powers are granted to the guardian conservator:

_____.

- There is clear and convincing evidence that the Respondent's emergency needs cannot be met by a protective arrangement instead of guardianship and/or conservatorship or other less restrictive alternative, including use of appropriate supportive services, technological assistance, or supported decision making.
- There is clear and convincing evidence that the Respondent's needs cannot be met by limited guardianship and/or conservatorship. The guardianship and/or conservatorship is appropriate.

Email: _____

The relationship of the guardian and/or conservator to the Respondent is:
_____.

The guardian and/or conservator provides paid services, is a relative, or is employed by a person that provides paid services to the Respondent. The court finds, by clear and convincing evidence, that the guardian and/or conservator is the best qualified person for the appointment and the appointment is in the best interest of the Respondent.

9. Visitor fees and costs

10. Conservator's Bond
