Motion and Declaration for Order to Release Weapons

I am the (*check one*) ☐ Petitioner ☐ Respondent ☐ Defendant.

I request that the court order the release of the firearms, other dangerous weapons, and any concealed pistol licenses I surrendered to (*name of city/town/county*) _____ local law enforcement agency, as required by an order requiring surrender of weapons or an *Extreme Risk Protection Order*.

The court should order the release of firearms, other dangerous weapons, and concealed pistol licenses because the protection order/no-contact order/restraining order/decreed that prohibited me from accessing, obtaining or possessing a firearm, other dangerous weapon or concealed pistol license is no longer in effect.

I understand that law enforcement is required to conduct a background check before releasing any firearms or concealed pistol licenses. If there are other restrictions, those items will not be released.

I certify under penalty of perjury under the laws of the State of Washington that the foregoing is true and correct.
