March 13, 2020

To: Certified Professional Guardians and Guardianship Stakeholders

From: Judge Rachelle Anderson, Chair

Subject: April 13, 2020 Certified Professional Guardianship Board Meeting

In light of Governor Inslee declaring a state of emergency and instituting social distancing measures in King, Pierce, and Snohomish counties, the Certified Professional Guardianship Board's (Board) meeting on April 13, 2020 will not be held in-person at the AOC's Sea-Tac office. Rather, the April 2020 Board meeting will be conducted telephonically. These measures reflect state and local directives to minimize and control the spread of COVID-19. Staff are currently working to ensure that members of the public will be able to call into, and participate in, this meeting telephonically.

The Board recognizes that the populations served by CPGs are among the most critical to protect from COVID-19. Please know that your health, safety and well-being are our priority. We appreciate the understanding of all members of the guardianship community who planned to attend this meeting in-person. Your willingness to inform and engage with the Board is important to the Board, and we look forward to your telephonic participation.

Very truly yours,

Judge Rachelle E. Anderson, Chair
