Vision and Purpose

Vision

The GMP Volunteer Operation envisions a future where community volunteers actively partner with the courts to support the efforts of guardians and conservators and promote the visibility, rights and agency of vulnerable adults.

Purpose

The GMP Volunteer Operation recruits, trains and supports volunteers to serve in roles that strengthen the court's oversight of guardians increasing the courts' ability to mitigate risks of abuse, neglect and exploitation, and protects the rights of vulnerable adults subject to guardianship.

Volunteer Operations Objectives

Define volunteer roles to complement the work of court staff and increase their capacity to monitor guardianships

Recruit, equip and deploy volunteers to strengthen the court's oversight of guardians

Increase the court's ability to mitigate risks of abuse, neglect and exploitation, and protect the rights of adults subject to guardianship

The Three Pillar Roles

Records Researcher

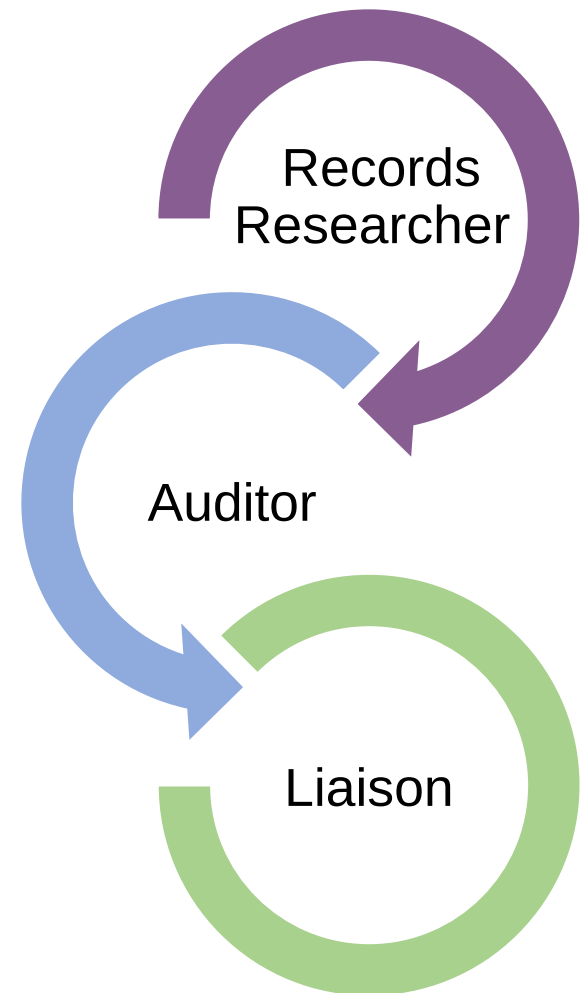

- Review the nature of delinquent records
- Locate guardian or person subject to guardianship if needed
- Assist court staff with necessary follow-up communication

Auditor

- Review financial reports for accuracy
- Follow-up with guardians according to court protocols
- Report serious concerns to the GMP and court staff

Guardian Liaison

- Visit guardian or person subject to guardianship when requested or as needed
- Assess if needs are being met for the person subject to guardianship or if less restrictive alternatives are best
- Provide support in understanding forms, court procedures, and referrals to community resources
