PER CURIAM — J.P. appeals from the restitution order entered following his guilty plea to possession of a stolen vehicle. We accept the State of Washington's concession that the evidence was insufficient to support restitution of \$1,367.64 for damage to the stolen vehicle.

Accordingly, we remand with instructions to strike \$1,367.64 from the restitution order. Appellant does not dispute restitution in the amount of \$713.30 for towing and storage costs.

Remanded.
